PRODUCT DETAILS, TECHNICAL DETAILS
AND FITTING INSTRUCTIONS

MATERIAL: STEEL / STAINLESS STEEL

AVAILABLE IN THE FROST FINISHES:

U6100-B
MATT
BLACK

U6100-W
MATT
WHITE

MOUNTING

1

Attach the four legs (A) by screwing them onto the pre-mounted screws on the feet stand. Ensure all legs are tightened securely.

2

Slide four shelf holder rings (B) onto the legs (A). Determine the desired height for the shelf, then slide one shelf plate (C) down onto the legs so it rests on the rings.

3

Tighten the set screws (D) on each shelf holder ring (B) using the included hex key (E) to secure the shelf and rings firmly in place.

4

Slide four new shelf holder rings (B) onto each leg (A).
Choose the spacing from the first shelf, then slide
the next shelf plate (C) into position.
Tighten the set screws (D) to secure the shelf.

Repeat this step for the remaining shelf holder
rings and shelf plate.

5

Your FROST Trolley is now fully assembled and
ready for use.

The trolley is designed to offer flexibility.
Shelf heights can easily be adjusted by repositioning
the shelf holder rings to suit your needs.

CLEANING AND MAINTENANCE

Surfaces should be cleaned with a microfiber cloth, glass cleaner or other non abrasive and gentle agents.

ATTENTION:

Never use solvents or aggressive household cleaners like bleach, acids (e.g. descalers) or ammonia-based bathroom cleaner to clean the product. Steel wool and hard brushes can permanently damage the surface of the steel.

EXCLUSION OF LIABILITY

FROST accepts no liability whatsoever for damage to persons or property that occurs or has occurred as a result of improper installation or maintenance, particularly if the safety instructions and other points to note listed are not or have not been observed in full.

WARNING AND HAZARD NOTICES

Improper mounting or use can lead to accidents and serious injuries.
