## MOUNTING

Mirror 4135 can be mounted in either a horizontal or vertical orientation.

Mark the placement of the screw holes for mounting the mirror on the wall.

Drill out the marked holes with a 8 mm drill bit and insert the enclosed Ø8x38 mm wall plugs (A)

With a PH2 bit tighten the enclosed 5x40 mm screws (B), but leave a small gap between the screw head and the wall.

Lift the Mirror onto the screws and slide it down until it locks securely into place.

#### **CLEANING AND MAINTENANCE**

Surfaces should be cleaned with a microfiber cloth, glass cleaner or other non abrasive and gentle agents.

#### **ATTENTION:**

Never use solvents or aggressive household cleaners like bleach, acids (e.g. descalers) or ammonia-based bathroom cleaner to clean the product. Steel wool and hard brushes can permanently damage the surface of the steel.

#### **EXCLUSION OF LIABILITY**

FROST accepts no liability whatsoever for damage to persons or property that occurs or has occurred as a result of improper installation or maintenance, particularly if the safety instructions and other points to note listed are not or have not been observed in full.

#### **WARNING AND HAZARD NOTICES**

Improper mounting or use can lead to accidents and serious injuries.
