MOUNTING

- ① Start by mounting the two legs by screwing them onto the top part with the fixing screw inbetween.

- ② Position the assembled top part onto the feet stand and fasten it underneath using the two included screws.

Tighten the screws firmly with a 6 mm hex key to ensure a stable and secure stand.

-
- ③ Then simply screw each foot onto the bottom of the stand.

-
- ④ The towel stand is ready for use.

CLEANING AND MAINTENANCE

Surfaces should be cleaned with a microfiber cloth, glass cleaner or other non abrasive and gentle agents.

ATTENTION:

Never use solvents or aggressive household cleaners like bleach, acids (e.g. descalers) or ammonia-based bathroom cleaner to clean the product. Steel wool and hard brushes can permanently damage the surface of the steel.

EXCLUSION OF LIABILITY

FROST accepts no liability whatsoever for damage to persons or property that occurs or has occurred as a result of improper installation or maintenance, particularly if the safety instructions and other points to note listed are not or have not been observed in full.

WARNING AND HAZARD NOTICES

Improper mounting or use can lead to accidents and serious injuries.
