PRODUCT INFORMATION

- ① Frost Pedal Bin is design that elevates everyday living – and is available in four sizes, making it suitable for both private and professional spaces.

Frost Pedal Bin is an elegant fusion of meticulously engineered functionality and refined design. Every detail has been carefully considered – from the silent soft-close lid and invisible fittings to the smart lifting mechanism that discreetly raises the inner bin, making bag replacement effortless.

Crafted in stainless steel with a PVD finish or black/white powder coating, the pedal bin presents itself as a unified, luxurious object – inside and out. The iconic lid, with its conical edge, adds a tactile dimension where form and function merge seamlessly, subtly inviting touch.

- ② Frost Pedal Bin is designed to meet everyday needs with effortless functionality and thoughtful details. Available in four practical sizes – 3 L, 6 L, 10 L, and 15 L – it offers a solution for everything from small bathrooms to larger kitchens and professional spaces.

The inner bin and lifting mechanism ensure easy and hygienic replacement of bin liners, making daily use simple and convenient.

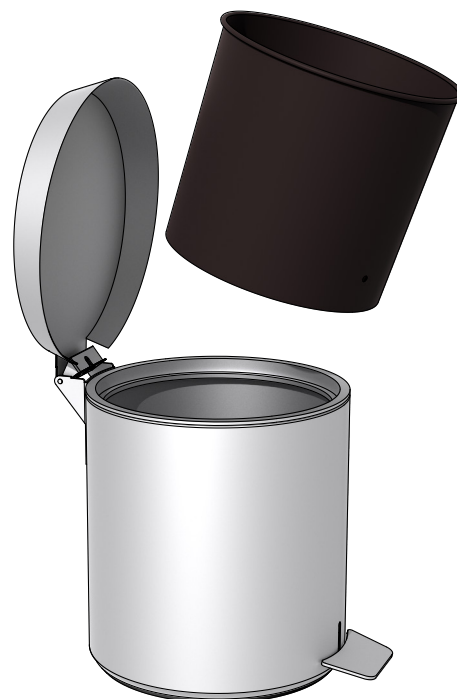

To complement the pedal bins, matching pedal bin liners are available for purchase in three sizes, each roll containing 30 liner.

CLEANING AND MAINTENANCE

Surfaces should be cleaned with a microfiber cloth, glass cleaner or other non abrasive and gentle agents.

ATTENTION:

Never use solvents or aggressive household cleaners like bleach, acids (e.g. descalers) or ammonia-based bathroom cleaner to clean the product. Steel wool and hard brushes can permanently damage the surface of the steel.

EXCLUSION OF LIABILITY

FROST accepts no liability whatsoever for damage to persons or property that occurs or has occurred as a result of improper installation or maintenance, particularly if the safety instructions and other points to note listed are not or have not been observed in full.

WARNING AND HAZARD NOTICES

Improper mounting or use can lead to accidents and serious injuries.
