MOUNTING OF UNIVERSAL TABLETOP

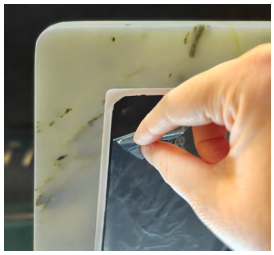

1. To assemble the Side Tables, start by mounting the Y-shaped bar (A) onto the foot plate (B) using the enclosed M10x25 screws (C).

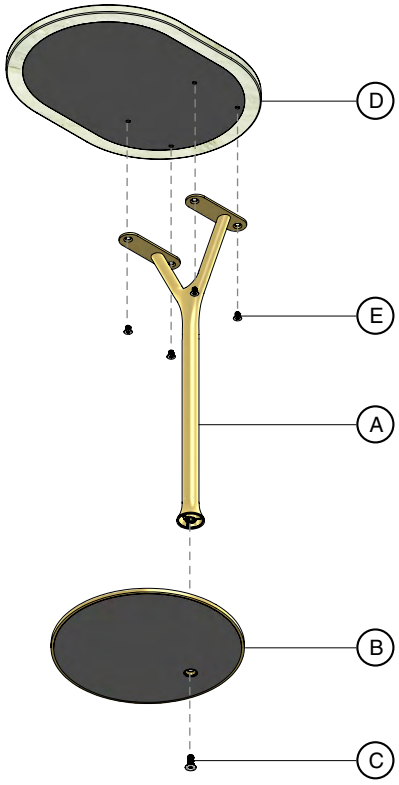

2. Before mounting the tabletop (D), remove the protective film from the aluminium underside as illustrated below.

3. Mount the Table base onto the tabletop (D) by aligning the screw holes in the table base with the pre-drilled holes in the aluminium plate, as illustrated. Secure the tabletop using the enclosed M8x10 screws (E).

NOTE: The included tabletop is universal and may have pre-drilled holes for different table legs and bases.
Only use the holes required for this table base, as illustrated.

REMOVE THE PROTECTIVE FILM

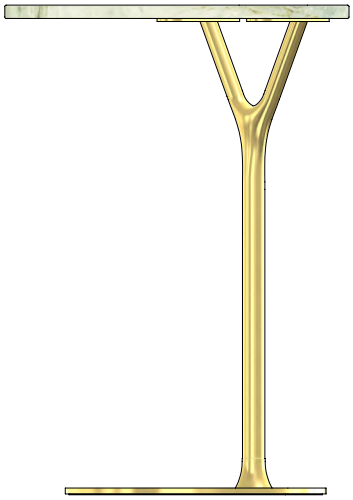

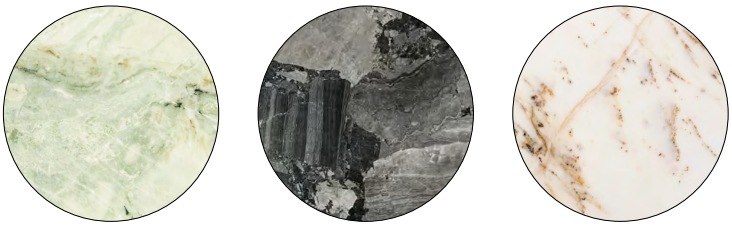

5. The Side Table is now ready for use.

TABLETOP INFORMATION
The Tabletops come in three natural stone variations: Forest Green, Van Gogh Grey, and Oriental White. As a natural material, colour, veining, and surface texture will vary. Each piece is unique, and minor irregularities are not considered defects.

For daily cleaning, use warm water and mild soap.
For stubborn stains, a stone cleaner is recommended.
To protect the surface from grease and liquids, apply a neutral impregnator before use.

CLEANING AND MAINTENANCE

Surfaces should be cleaned with a microfiber cloth, glass cleaner or other non abrasive and gentle agents.

ATTENTION:

Never use solvents or aggressive household cleaners like bleach, acids (e.g. descalers) or ammonia-based bathroom cleaner to clean the product. Steel wool and hard brushes can permanently damage the surface of the steel.

EXCLUSION OF LIABILITY

FROST accepts no liability whatsoever for damage to persons or property that occurs or has occurred as a result of improper installation or maintenance, particularly if the safety instructions and other points to note listed are not or have not been observed in full.

WARNING AND HAZARD NOTICES

Improper mounting or use can lead to accidents and serious injuries.
