MOUNTING OF UNIVERSAL TABLETOP

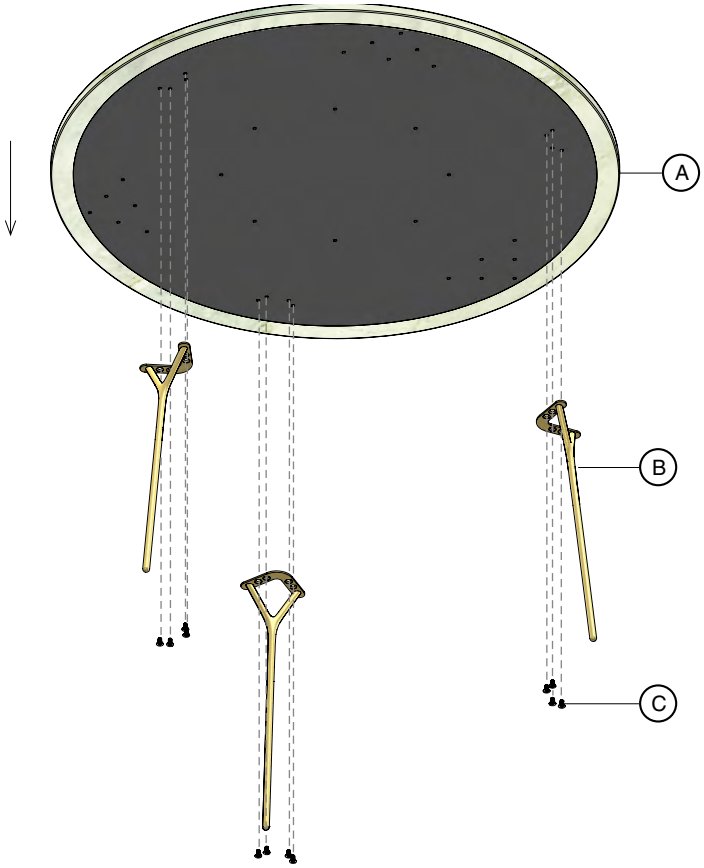

1 Before mounting the tabletop Ⓐ, remove the protective film from the aluminium underside as illustrated below.

2 Mount the Table Legs onto the tabletop Ⓐ by aligning the screw holes in the the table legs Ⓑ with the pre-drilled holes in the aluminium plate, as illustrated. Secure the tabletop using the enclosed M6x10 screws Ⓒ.

NOTE: The included tabletop is universal and has pre-drilled holes for different table legs and bases. Only use the holes required for this table base, as illustrated.

REMOVE THE PROTECTIVE

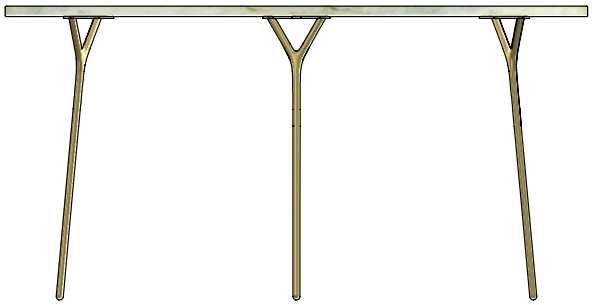

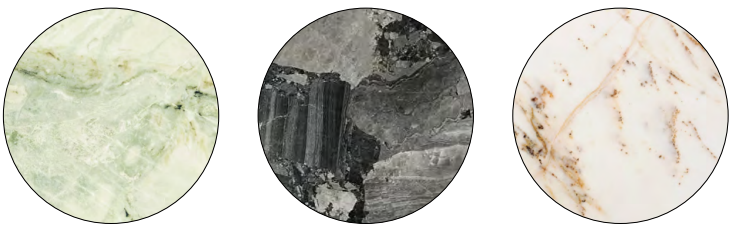

3 Once the table is fully assembled, the Coffee Table is now ready for use.

TABLETOP INFORMATION

The Tabletops come in three natural stone variations: Forest Green, Van Gogh Grey, and Oriental White. As a natural material, colour, veining, and surface texture will vary. Each piece is unique, and minor irregularities are not considered defects.

For daily cleaning, use warm water and mild soap. For stubborn stains, a stone cleaner is recommended. To protect the surface from grease and liquids, apply a neutral impregnator before use.
