MOUNTING

- 1 Start by mounting the two legs by screwing them onto the top part with the fixing screw inbetween.

- 2 Position the assembled top part onto the feet stand and fasten it underneath using two Ø10x25 mm screws.

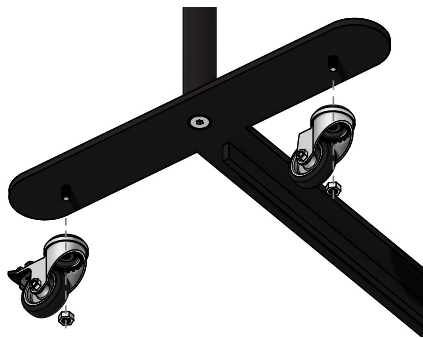

Tighten the screws firmly with a 6 mm hex key to ensure a stable and secure stand.

3

Screw each castor onto the bottom of the stand.
Secure the castors using the fixing nuts.

Make sure the braked castors are positioned parallel to each other on each end of the stand.

4

Now position the shelf at the top and secure it using the last two Ø10x25 mm screws and tighten with the 6 mm hex key.

Now your Clothing Stand with shelf is now ready for use.

MOUNTING OF BOTTOM PLATE

1

Bottom Plate U6005-1 for the Clothing Stand can be purchased separately and is available in Matt Black and Matt White

Mounting the Bottom Plate

Place the Bottom Plate on top of the feet stand.
Position the assembled top part onto the feet stand.
Fasten from underneath using the two screws.

Tighten the screws firmly with a 6 mm hex key to ensure a stable and secure stand.

CLEANING AND MAINTENANCE

Surfaces should be cleaned with a microfiber cloth, glass cleaner or other non abrasive and gentle agents.

ATTENTION:

Never use solvents or aggressive household cleaners like bleach, acids (e.g. descalers) or ammonia-based bathroom cleaner to clean the product. Steel wool and hard brushes can permanently damage the surface of the steel.

EXCLUSION OF LIABILITY

FROST accepts no liability whatsoever for damage to persons or property that occurs or has occurred as a result of improper installation or maintenance, particularly if the safety instructions and other points to note listed are not or have not been observed in full.

WARNING AND HAZARD NOTICES

Improper mounting or use can lead to accidents and serious injuries.
